

# World Social Work Day Celebration: Social Media & the Social Worker

Te Whanau O Waipareira Trust hosted a network event to celebrate World Social Work Day. A full room of practitioners from Te Whanau O Waipareira, CYFS, DHB, THRIVE, Man Alive, UNITEC, Te Wananga O Aotearoa, Family Works, South Seas Healthcare, Salvation Army and many other agencies, gathered to hear key note speaker – **Fiona Knight** present on Social Media and the Social Worker.

ANZASW representative David McNabb presented Fiona with a *Certificate of Achievement: Innovative Practice Category Inaugural ANZASW Quality & Innovation Award*.

This was a great networking opportunity to acknowledge the global influence of our social work profession in the world today.
